Conservation Area Key Views

Introduction

Tables on the following pages give details with photographs of the numbered views above.

Crookham Village Conservation Area Key Views

Ref	Locations and Key Features	Photographs
1a	Expansive views across attractive countryside to the south which is particularly valued for its relative tranquillity. This part of the setting also contains remnants of historic field boundaries illustrating the functional links between the village and its landscape.	
1b	Expansive views across attractive countryside to the south east towards Crondall Road.	
2	Experiencing the setting south of the village allows an easy appreciation of the abrupt transition between open land and historic settlement boundary.	
3	To the north, the setting comprises flatter land that is slightly more open from which tree belts associated with water courses can be seen.	

4	Square pillbox adjacent to Meadow Brook Stable.	
5	View into the village from the north to the rear boundary of the properties along The Street.	
6	View into the village from the south to the rear boundary of the properties along The Street from Footpath 5.	
7	The more expansive views from the access road to Cross Farm.	

8	Linear view north from Footpath 6 leading past the village hall looking over the car park to the green space beyond.	
9a	Linear view along the Footpath 1 from between Forge House and Forge Cottages.	
9b	Open view along Footpath 1 beyond Forge House and Forge Cottages.	
10a	Linear view from Footpath 6 which proceeds north between Crookham Social Club and Nuname and Grove cottages.	

10b	Open view along Footpath 6 proceeding north from the Village Hall carpark.	
11	Linear views along Footpath 10 south of Seven Steps going west from Crondall Road;	
12	Linear views from Footpath 11 which runs along Stroud Lane before heading into rural setting to the south-west of the conservation area	
13	The looser grain of development along Crondall Road at the foot of the hill as it leads out of the village enables more expansive views particularly to the east	

14	The panorama NE from Brook House on the east side of Crondall Road	
15	The panorama NE from Brook Cottage on east side of Crondall Road	
16	The panorama looking east between Foxes Corner and Brookfield which enables appreciation of the rising slopes and tree copses beyond that lie to the south of The Street;	
17	The panorama to the south of Sundown Cottage looking east which is an extensive view of the slopes, tree belts and the unfortunately utilitarian fencing of the public footpath.
