Proposal: Replace four existing double-glazed aluminium and plastic windows to front with wood at Lavender Cottage. The Street, Crookham Village, Fleet, Hampshire GU51 5SJ

RESOLVED

Members agreed the following response to Hart:

In principle, CVPC welcomes the proposal to revert to wooden frames for the street-facing windows of this listed building in a conservation area, but lack of a colour specification and a clear comparison with pre-app suggestions means that we defer to the Hart Conservation Officer on acceptability of the proposed replacements.

In any event, Listed Building Consent would be required before final approval could be given, as stated in the pre-app report.
